## Col. John Breeden Comments on STARBASE

The biggest joy of being a commander out here is seeing the ability of this program to get off the ground this last April, to already have 240 students from Las Vegas Valley graduate from the course. That one programs ability to give back to the community has been the single proudest moment of being a commander so far here at the 926th.

That one programs ability to give back to the community has been the single proudest moment of being a commander so far here at the 926th.

**Name:** Col. John Breeden

**Title:** Commander 926th Group, STARBASE Nellis Academy, Nellis, NV
