Student at STARBASE Connecticut - Windsor Locks

"It was really fun being at STARBASE! You guys made all of the boring processes FUN! And you taught us hard things in 5 minutes because you made the process so simple! PS. When I grow up, I now want to be a marine biologist."

You guys made all of the boring processes FUN! And you taught us hard things in 5 minutes because you made the process so simple!

Name: Taco Unipug - Student at STARBASE Connecticut - Windsor Locks

Title: Windsor Locks, CT
