1. This website is provided as a public service by the [Office of the Assistant Secretary of Defense-Public Affairs](#) [1].
2. Information presented on this website is considered public information and may be distributed or copied unless otherwise specified. Use of appropriate byline/photo/image credits is requested.
3. **Privacy Act Statement** - If you choose to provide us with personal information - like filling out a Contact Us form with e-mail and/or postal addresses - we only use that information to respond to your message or request. We will only share the information you give us with another government agency if your inquiry relates to that agency, or as otherwise required by law. We never create individual profiles or give it to any private organizations. Defense.gov never collects information for commercial marketing. While you must provide an e-mail address or postal address for a response other than those generated automatically in response to questions or comments that you may submit, we recommend that you NOT include any other personal information, especially Social Security numbers. The Social Security Administration offers additional guidance on sharing your Social Security number.
4. We maintain a variety of physical, electronic and procedural safeguards to protect your personal information. For site security purposes and to ensure that this service remains available to all users, this government computer system employs software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage.
5. Except for authorized law enforcement investigations, no other attempts are made to identify individual users or their usage habits. Raw data logs are used for no other purposes and are scheduled for regular destruction in accordance with National Archives and Records Administration guidelines.
6. Unauthorized attempts to upload information or change information on this service are strictly prohibited and may be punishable under the Computer Fraud and Abuse Act of 1986 and the National Information Infrastructure Protection Act.
7. If you have any questions or comments about the information presented here, please forward them to us using the our [Contact Us](#) [2] page.

Use of Measurement and Customization Technology

This website uses measurement and customization technology known as a "cookies." Cookies are used to remember a user's online interactions with a website or online application in order to conduct measurement and analysis of usage or to customize the user's experience.

There are two kinds of cookies used on this website. A single-session cookie (Tier 1) is a line of text that is stored temporarily on a user's computer and deleted as soon as the browser is closed. A persistent or multi-session cookie (Tier 2) is saved to a file on a user's hard drive and is called up the next time that user visits a website. Use of these cookies does not involve the

collection of a visitor's personally identifiable information (PII).

The Department of Defense does not use the information associated with cookies to track individual user activity on the Internet outside Defense Department websites, nor does it share the data obtained through such technologies, without the user's explicit consent, with other departments or agencies. The Department of Defense does not keep a database of information obtained from the use of cookies.

Cookies are enabled by default to optimize website functionality and customize user experience. Users can choose not to accept the use of these cookies by changing the settings on their local computer's web browser. The USA.gov website, www.defense.gov/registeredsites/socialmediasites.aspx [3]. These sites may collect PII and may make it available to the Department of Defense and other users; however, the PII is not collected on behalf of, nor is it provided specifically for, the Department of Defense. The Department of Defense does not harvest and additionally collect, maintain, share or otherwise use such PII for any purpose other than that for which it is made available to all users.
